

Job Title: IT Summer Student – Integrations Developer
Reporting To: Manager – Information Systems
Location: Calgary, Alberta

Job Summary - Baytex is seeking a Summer Student to report to our Manager of Information Systems. This role requires a motivated, results-driven individual who thrives on challenges, excels in a dynamic environment, and works effectively in an agile setting.

As a Summer Student Integrations Developer, you will support the design, development, and maintenance of system integrations that enable seamless communication between various software applications. This role provides hands-on experience in a dynamic environment, working with modern tools, platforms, and technologies.

Key Responsibilities

- Collaborate with the development team to design, build, and implement software integrations.
- Develop APIs, microservices, and other middleware solutions.
- Ensure integration solutions are robust, scalable, and secure.
- Perform unit and integration testing to identify and resolve issues.
- Debug and troubleshoot integration errors.
- Prepare clear and concise technical documentation for integration processes and solutions.
- Contribute to user guides and system manuals.
- Work closely with cross-functional teams
- Stay updated on the latest integration technologies and methodologies.
- Seek mentorship and actively contribute to the team's success.

Qualifications

- Pursuing a degree in Computer Science, IT, or a related field.
- Proficient in Java, Python, or C++.
- Familiar with integration tools (e.g., REST APIs, JSON, XML).
- Basic knowledge of cloud platforms (e.g., AWS, Azure).
- Understanding of database systems (e.g., SQL, NoSQL).
- Strong problem-solving, organizational, and communication skills.
- Ability to analyze requirements and collaborate in teams.
- Eager to learn and adapt to new technologies.
- Strong communication and interpersonal skills

What We Offer

- Hands-on experience with real-world projects.
- Mentorship from experienced professionals.
- Networking opportunities and career development support.
- A dynamic, inclusive, and collaborative work environment.
